Federal Election Commission  
Washington, D.C. 20463

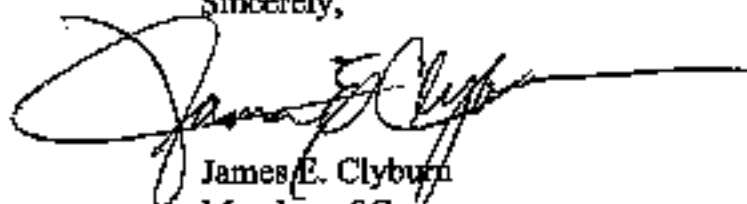

Dear Mr. Horton:

Thanks for your letter of November 7, 2000 in which you raise questions regarding my October Quarterly Report (7/1/00-9/30/00).

My campaign's contribution to "Friends of Major R. Owens" did not exceed the statutory limit. My report inadvertently included a "Schedule B - Itemized Disbursements" page where the Subtotal of Disbursements is \$1,000.00. This page should not have been a part of my report and should be discarded. It lists the same contribution to "Friends of Major R. Owens" that is entered on the "Schedule B - Itemized Disbursements" page where the Subtotal of Disbursements is \$1,025.00. **Only one contribution of \$1,000.00 was made to "Friends of Major R. Owens" for the 2000 General Election.**

Should you have have any questions, please do not hesitate to contact me.

Sincerely,

James E. Clyburn  
Member of Congress
